Here are da Joisey-style disclaimers we are notorious for issuing:

Da park will do its very best to run J2 and keep it open tru ERT, but if weather, finicky machinery or other wacky things cause dem to shut it down or not open it up, *don't make no stink!*

ACE has a Code of Conduct and expects youse and your guests to honor it. Youse understand honor, correct? Dis means no monkey bizness – youse follow da park's rules about NO cameras on da coaster, da process for loading and fastening da safety restraints on da coaster, etc. -- and youse don't give nobody no lip. Got it? We tawt youse might agree.

Da State of New Joisey has LAWS about rider responsibility. Youse are da riders in question, so act responsibly or youse could be fined or maybe even go to jail. Youse don't wanna go to jail, do ya?

Now dat we got all dat stuff clear, have FUN on September 10th!
